DESCRIPTION:

The Department organized an insightful and career-oriented program on “**Future Skills and Industry Expectations: Preparing Management & Commerce Students for Global Opportunities**” on 8th October 2025 at 10.00 a.m. in the Preview Theatre, KRMMC. The session was delivered by **Dr. N. Bharathi Raja, Director – Training and Placements, Dhanalakshmi College of Engineering**, a placement expert with extensive experience in industry-institution collaboration. Mrs. K.A.A. Atthiya Beevi – Head of the Department, welcomed the Resource Person with a Memento. Ms. N. Pavithra gave a general introduction about the Resource Person on the event to the audience

Dr. Bharathi Raja emphasized the importance of acquiring future-ready skills such as critical thinking, problem-solving, digital literacy, communication skills, adaptability, and global competency. He highlighted the growing demand for interdisciplinary knowledge, data analytics, AI awareness, and professional certifications that enhance employability in international markets. A total of 66 Management and Commerce students actively participated in the session.

The interactive session encouraged students to ask questions and clarify their career aspirations. The discussion provided valuable guidance on preparing for global opportunities and aligning personal career goals with market demands.

The program concluded with a vote of thanks by Purushothaman of III BBA, expressing gratitude to the resource person for his valuable time and inspiring insights. The session proved to be highly

beneficial in motivating students to upgrade their competencies and prepare confidently for the dynamic global business environment. The event concluded with National Anthem.
