Organizer name: ImageMultimedia

Date: 28/09/2024 & 29/09/2024
Venue: KalaivanarArangam, Triplicane, Chennai
Number of Participants: 10

Description:

The main event associated with " VEGAS Workshop Chennai2024" was the **VEGASFest2024**, a large conference and exhibition for the Animation, Visual Effects, Gaming, Comics, and Extended Reality (AVGC-XR) industries.

The festival included various master classes, panel discussions, and interactive sessions (effectively workshops) on topics such as VFX breakdowns of major films, game development, generative AI, AR/VR, and stop motion animation.

Ten students from the departments of Computer science and BCA represented our institution at VEGAS Fest 2024. They explored exciting sessions on graphics design, game development, and emerging trends, gaining hands-on experience and creative insights.
